

Superintendent- Valley Regional Park & Golf Course- Rosthern, Sask.

We are now accepting applications for Golf Course Superintendent to start March 2018. This position reports directly to the General Manager and Board of Directors.

The Valley Regional Park Golf Course is a beautiful 18-hole grass green golf course located 1 km north of the Town of Rosthern, Sk. The Park is located in the heart of the Valley area in between Saskatoon and Prince Albert on the major highway 11 about 30 minutes away from both cities. The town's population is about 1700 people and has great facilities including outdoor swimming pool, arena, curling rink, ball diamonds, schools, hospital, numerous businesses, and of course a great golf course and park. www.rosthern.com

The Golf Course is located in the family orientated Valley Regional Park, which includes a 31-site campground, 46 seasonal campsites, and large creative playground and picnic area. The park has always been lauded for its beautiful landscaped and well maintained grounds over mature rolling terrain. The park and golf course are busy over the summer season and is a major tourist attraction for the area. The golf course was originally built in 1974 and expanded to 18 holes 13 years ago. It is a par 72 over 6700 yards long. Website: www.valleyregionalpark.com

Superintendent Duties

1. Overall maintenance and care of the golf course, irrigation, and machinery including the application and control of all pesticides according to applicable laws.
2. Involvement in developing, improving, and implementing procedures affecting the overall maintenance of the golf course.
3. Working with manager to coordinate some park maintenance.
4. Involved in hiring of the employees of all maintenance staff according to our hiring policies, and be direct supervisor to these employees through training and scheduling.
5. Assist with budget, equipment leases and purchases, and capital projects.
6. Working with manager and attending golf course committee meetings

Qualifications Include

1. A degree or diploma from a recognized turf program, or equivalent experience in field.
2. Have strong Leadership and Management skills with the ability to work with budgets, train and supervise staff. Knowledge of the game of golf and rules would also be an asset.
3. Commitment to maintaining and growing the golf course and park.
4. Valid pesticide and sprayer license.
5. Extensive automated irrigation experience and repairs.

Salary and Compensation will be very competitive for the successful applicant and be negotiated based on experience and qualifications.

Posting Date: October 25, 2017- Position Vacancy will be advertised until filled

All applications will be held confidential and only selected candidates will be contacted for interview.
